

Apply for a VT Educator License

The Vermont Online Licensing System for Educators - ALiS

Are you ready to apply?

A complete application includes:

Official Transcripts

- May be scanned and uploaded into an application by an applicant. Official Transcripts include:
 - The seal of the college or university
 - Visible signature of the Registrar
 - Visible confer date of degree
 - Recommendation for licensure
 - Visible transcript key/guide
 - All pages (front and back)
- A transcript with the Registrar's seal and stamped "Issued to Student" may be used. Please note that the Agency of Education reserves the right to request an official transcript from an Institution of Higher Education at the educators/applicants' expense, at any time.
- The official transcript should show the conferred date of when you completed an educator preparation program. If an applicant completed an "alternate route" educator preparation program, documentation from that program, should upload for the formal recommendation for licensure.

Application requirements -Continued

Completed program over 10 years ago

- Those who completed an educator preparation program, MORE THAN 10 YEARS AGO, and do not have a valid out of state educator license will need to provide documentation showing 90 hours of educator professional learning completed within the last 10 years.

Out of State License Copy, if applicable

- Copy of your non-conditional/non-expired educator license, from a state that has signed the NASDTEC INTERSTATE Agreement, listing the endorsement you seek in Vermont (if applicable). Be sure to read the [FAQs regarding the NASDTEC Interstate Agreement](#).

Testing

- If you have neither [National Board Certification](#), or an out of state educator license as described above, then you will be required to meet our state's testing requirement. All [testing requirements](#) must be met **before** you submit your application.

Fees for an initial license application

\$50 NON-REFUNDABLE APPLICATION PROCESSING FEE - You will need a credit card or checking account information to complete the application process. You will be charged a \$50 non-refundable application processing fee before your application is submitted for review. Please be sure you have read all the instructions and have all requirements needed for an application before submitting. Incomplete initial license applications are subject to closure, in which case the \$50 non-refundable processing fee will be retained by the agency. Those who have their application closed should re-apply, once all application requirements have been met. However, an entirely new initial license application will need to be submitted and another non-refundable application processing fee will need to be paid.

150 THREE YEAR LICENSE FEE - After an applicant has been found eligible for initial licensure AND the agency has satisfactory results of a fingerprint supported record check done for the VT Agency of Education, the applicant will need to make an on-line payment of \$150 for the 3 year license fee. Again, payment of the 3 year license fee will not be required UNTIL the applicant has been found eligible for licensure AND satisfactory results of the fingerprint supported record check have been received. Do not attempt to make the 3 year license fee payment until prompted to do so.

NO VT EDUCATOR LICENSE WILL BE ISSUED WITHOUT SATISFACTORY RESULTS ON A VT AGENCY OF EDUCATION FINGERPRINT SUPPORTED RECORD CHECK AND PAYMENT OF THE 3 YEAR LICENSE FEE.

Fees - continued

\$12 Fingerprint Record Check processing fee - The applicant will be charged \$12, in addition to, the NON-REFUNDABLE application processing fee. The \$12 is paid to the VT Dept. of Public Safety and is not refundable. The forms needed for the fingerprint supported record check process and information about the fingerprinting process, created in conjunction with the Vermont Crime Information Center, will be available to the applicant AFTER submitting the initial license application. It can take up to 12 weeks or more for our agency to receive fingerprint supported record check results.

Fees for Law Enforcement Agencies who do the fingerprinting – The law enforcement agency that does your fingerprinting may charge their own fee for fingerprinting. This is completely at the discretion of the law enforcement agency. Any fees charged by the law enforcement agency is kept by the law enforcement agency.
